WHAT DOES THIS EVENT SUPPORT?

100% of the funds raised go to food assistance programs that collectively serve thousands of Hancock County community members. Miles for Meals is a project of the Hancock County Food Drive - a month-long fundraiser and food collection event for food pantries, free meal programs, and school backpack programs across the county. These organizations work together to build mutual aid and provide critical assistance to Mainers during a time of year when food insecurity rates are at their highest.
